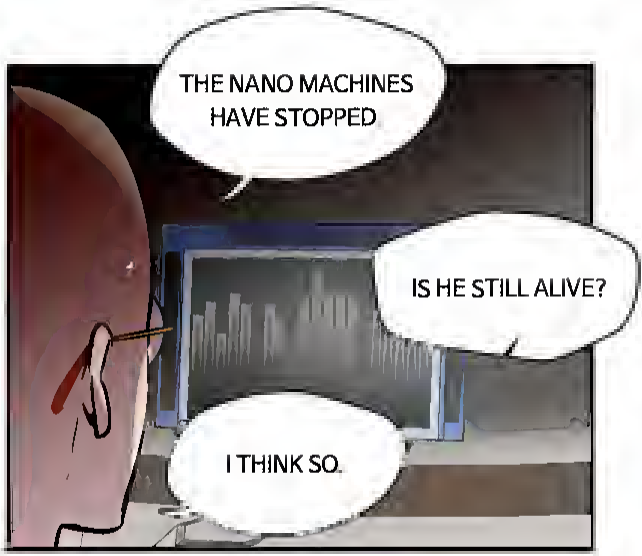
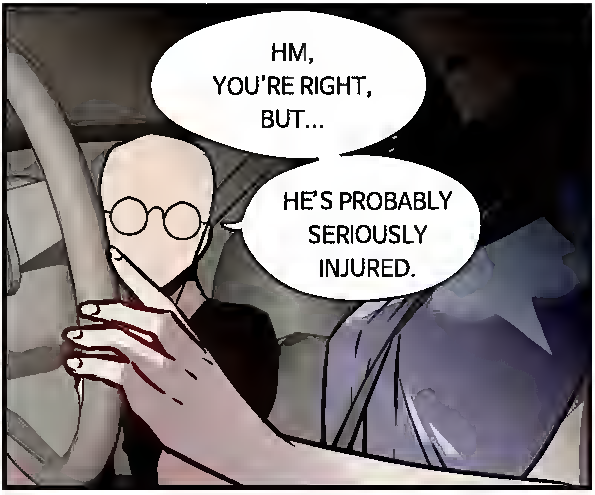
MILO...?
MILO??
ARE YOU OKAY?
MILO..

MILO?



THE NANO MACHINES HAVE STOPPED
IS HE STILL ALIVE?
I THINK SO.

WE'RE LUCKY HE'S STILL ALIVE.

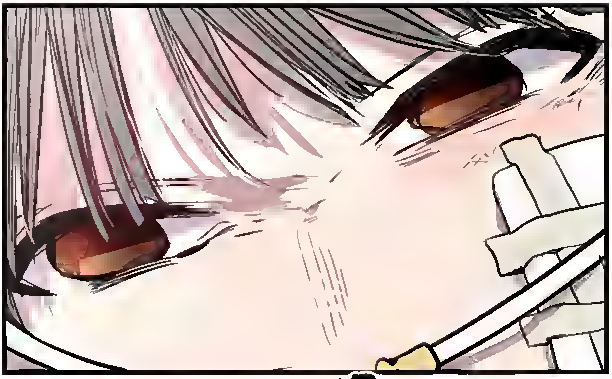


HM,
YOU'RE RIGHT,
BUT...
HE'S PROBABLY
SERIOUSLY
INJURED.

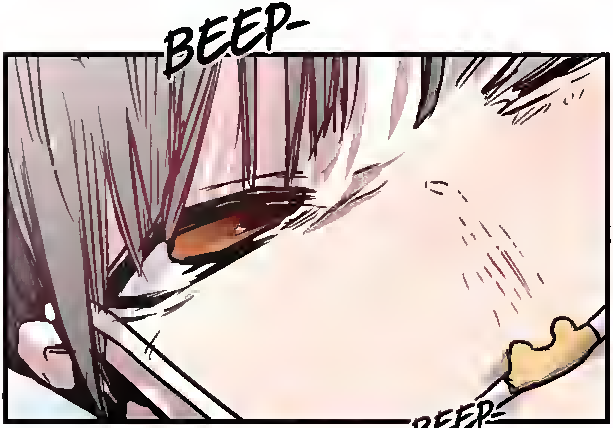
I WONDER
HOW BAD IT IS...

FLINCH

BEEP-

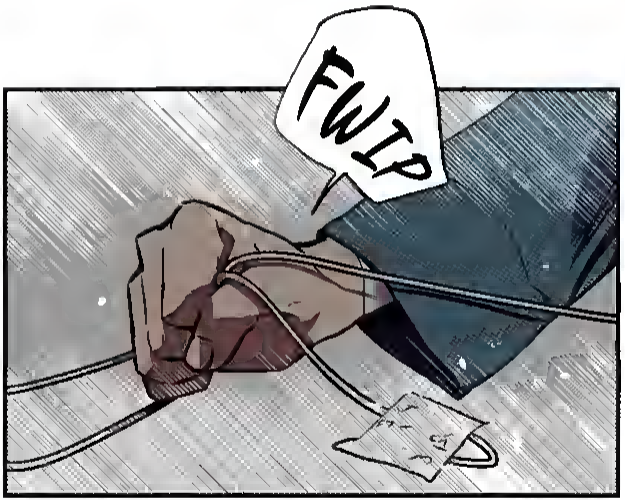


BEEP-

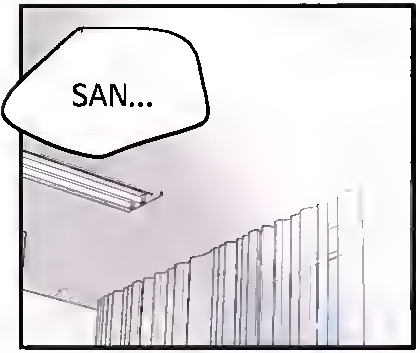


BEEP-
BEEP-

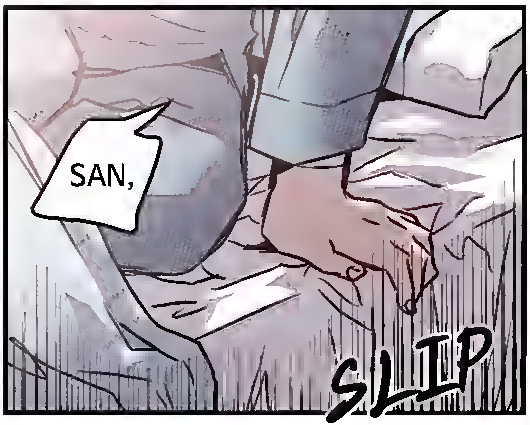
BEEP-
BEEP-



FWIP



SAN...



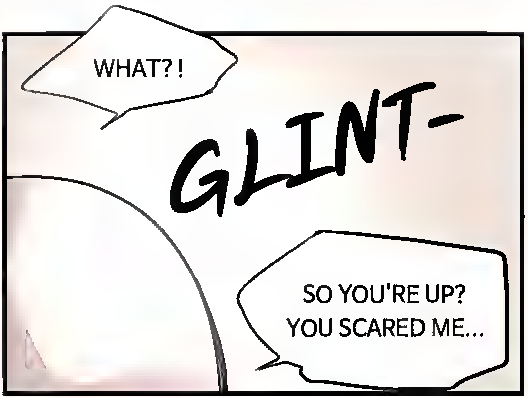
SAN,
SLIP

CRASH

UGH!

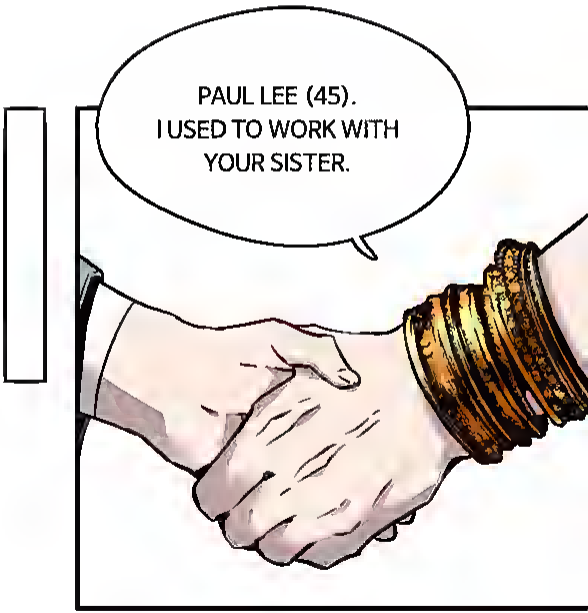
SAN...
SAN.
SAN.

SAN...
WHISH
!



WHAT?!
GLINT-
SO YOU'RE UP?
YOU SCARED ME...

I THOUGHT YOU HAD A HEART ATTACK OR SOMETHING
DON'T TAKE THOSE THINGS OFF. YOU'RE A PATIENT!



PAUL LEE (45).
I USED TO WORK WITH
YOUR SISTER.

DIDN'T EVERYONE IN THAT GROUP... DIE?
HUH? WHAT MADE YOU THINK THAT?

I HEARD THE WHOLE LAB WAS DESTROYED WHEN SHE DIED...

LAB LOCATED IN A MOUNTAIN IN GYEONGGI-DO EXPLODED.

KEEP OUT

KEEP OUT

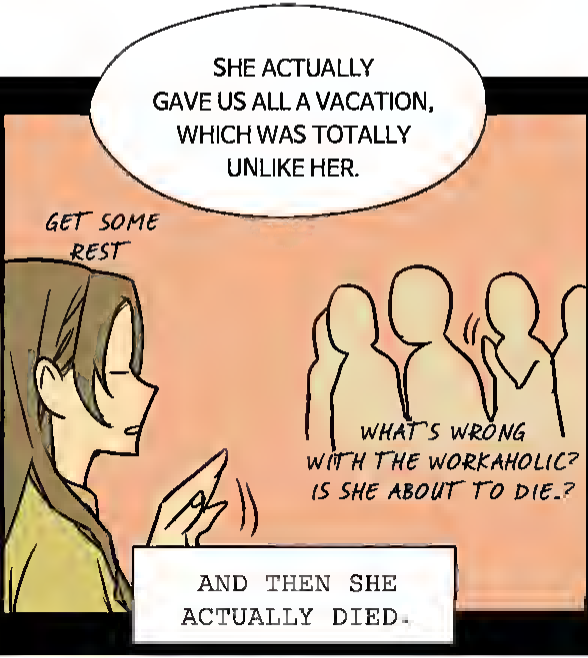
KEEP OUT

AH! AHAHAHA.

SOME OTHER TEAMS AND SECURITY PERSONNEL DIED. BUT OUR TEAM WAS ALL SAFE.

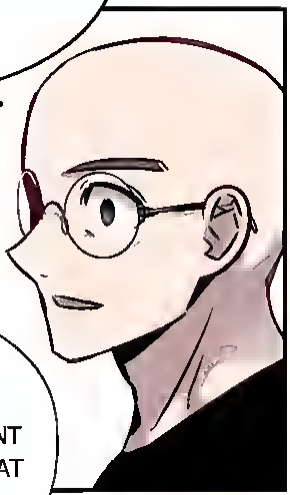
WHICH KIL... ALL EMPLOYEES, GUA... AND RESEARCHERS WHO WERE INSIDE THE BUILDING.

WHY'S HE LAUGHING...?



SHE ACTUALLY GAVE US ALL A VACATION, WHICH WAS TOTALLY UNLIKE HER.
GET SOME REST
WHAT'S WRONG WITH THE WORKAHOLIC? IS SHE ABOUT TO DIE..?
AND THEN SHE ACTUALLY DIED.

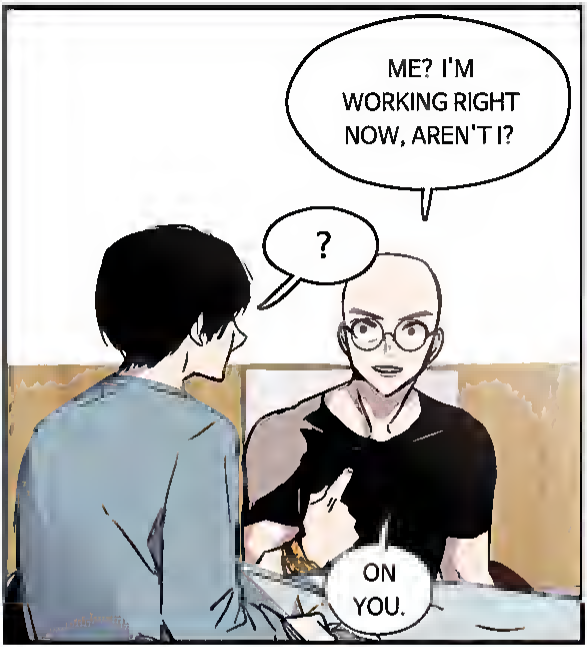
A FEW PEOPLE DIED SINCE THEN, BECAUSE OF OUR LINE OF WORK, BUT THE MAJORITY SHOULD STILL BE ALIVE.



IT'S JUST THAT EVERYONE IS SO BRILLIANT IN THEIR OWN FIELDS THAT THEY'RE TOO BUSY,

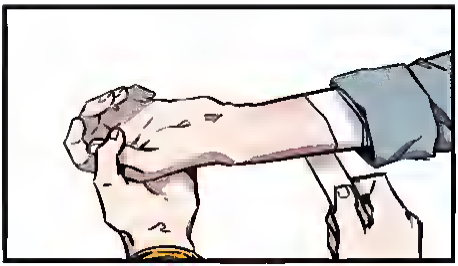
AND BECAUSE OF THE SECRECY INVOLVED, IT'S HARD TO STAY IN TOUCH.

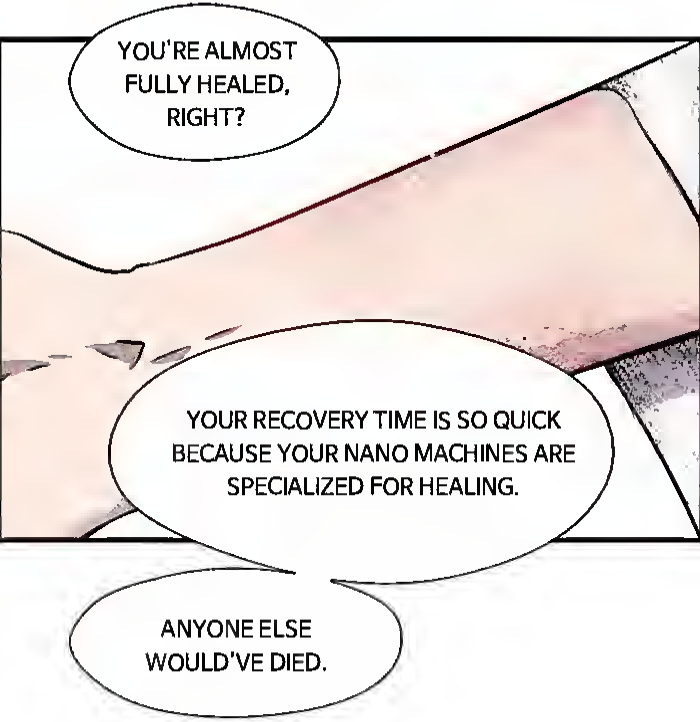
MISTE-
DR. LEE.
...WHAT WORK DO YOU DO, DR. LEE?



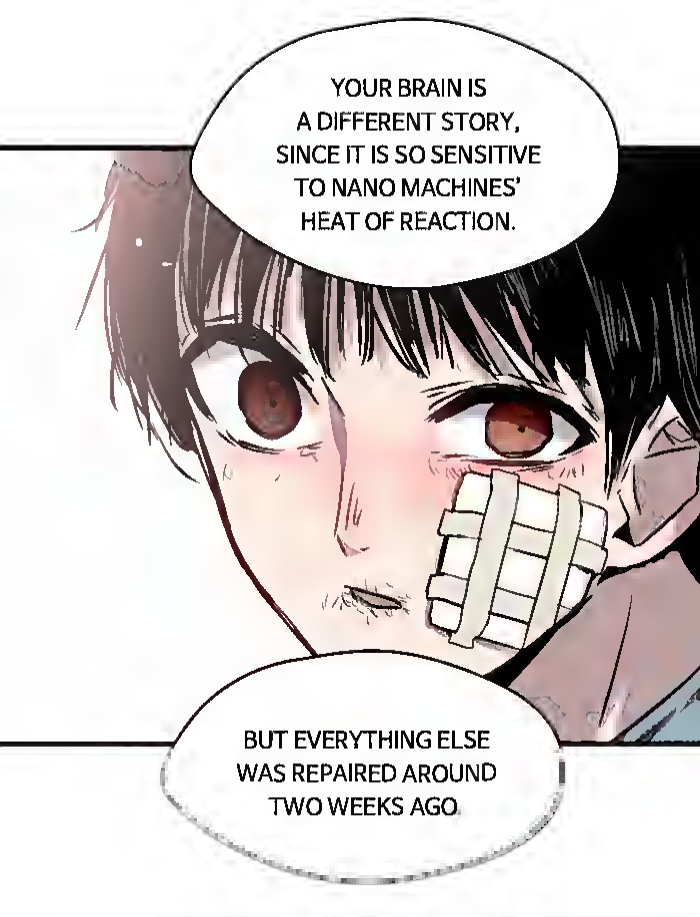
ME? I'M WORKING RIGHT NOW, AREN'T I?
?
ON YOU.

CLEANING
YOUR MESS

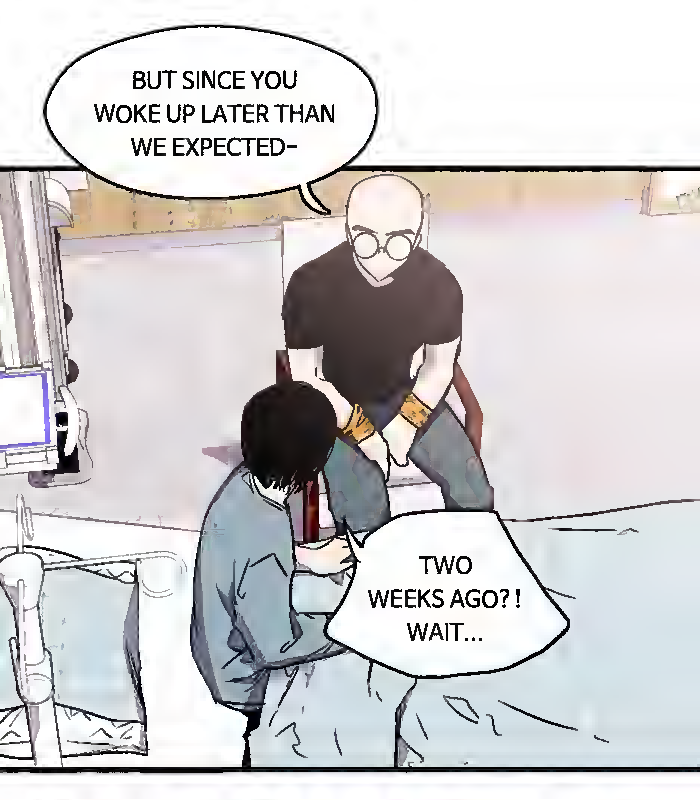




YOU'RE ALMOST FULLY HEALED, RIGHT?
YOUR RECOVERY TIME IS SO QUICK BECAUSE YOUR NANO MACHINES ARE SPECIALIZED FOR HEALING.
ANYONE ELSE WOULD'VE DIED.

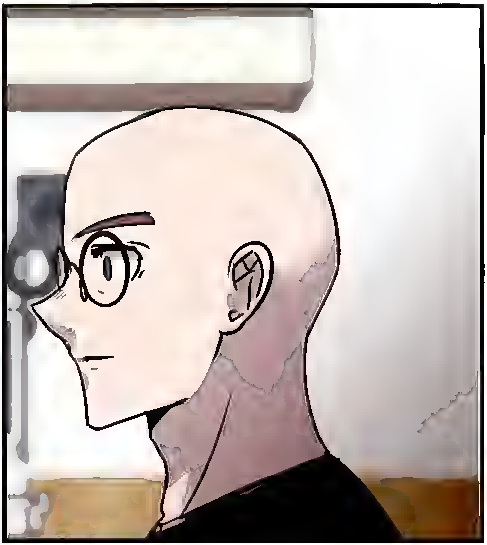


YOUR BRAIN IS
A DIFFERENT STORY,
SINCE IT IS SO SENSITIVE
TO NANO MACHINES'
HEAT OF REACTION.
BUT EVERYTHING ELSE
WAS REPAIRED AROUND
TWO WEEKS AGO.



BUT SINCE YOU WOKE UP LATER THAN WE EXPECTED-
TWO WEEKS AGO?! WAIT...

I DON'T KNOW WHAT YOU'RE TALKING ABOUT, BUT IF I GOT BETTER TWO WEEKS AGO...
HOW LONG HAD I BEEN UNCONSCIOUS?

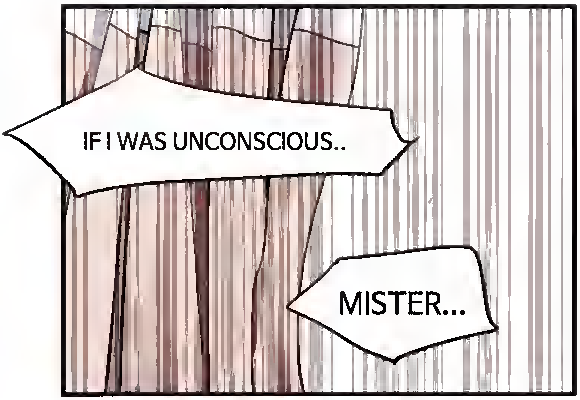


...IT´S SEPTEMBER

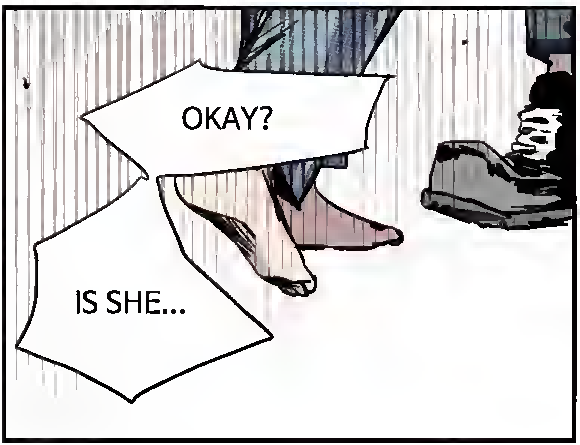
YOU HAD BEEN
OUT FOR AT LEAST
TWO MONTHS.

WHERE'S SAN?!
?! HOLD UP.
THERE'S...

THERE'S NO WAY...
SAN WOULDN'T BE BY MY SIDE IF SHE WAS OKAY.



IS SAN,



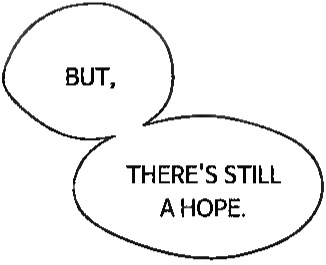
CALM
DOWN!!!

SHE'S FINE!!!
SQUEEZ

FINE.
SHE'S FINE.

REALLY?
YEAH.

...YOU'RE LYING, AREN'T YOU?
YOU MONSTER
....YEAH.

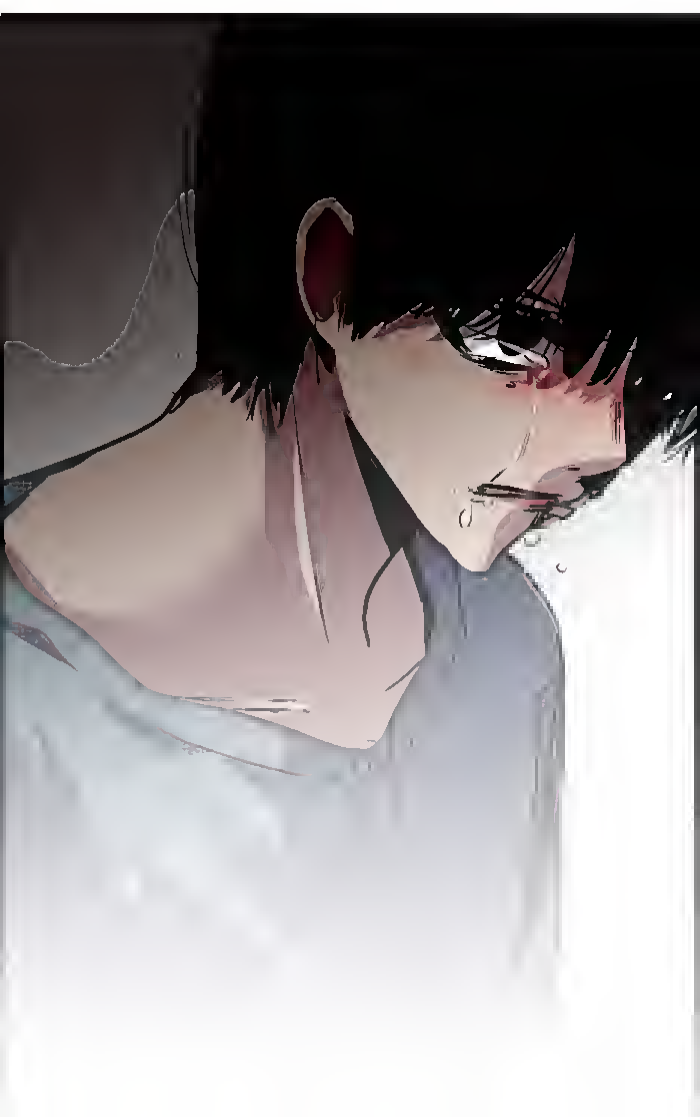


BUT,
THERE'S STILL A HOPE.

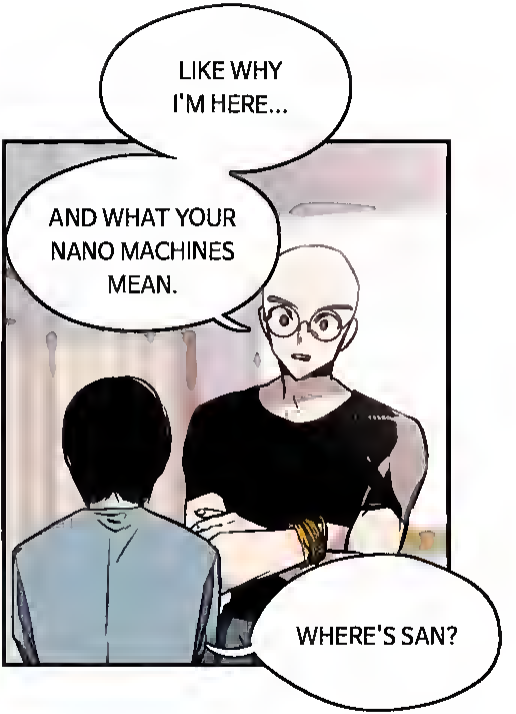
DRIP
DRIP

YEAH.

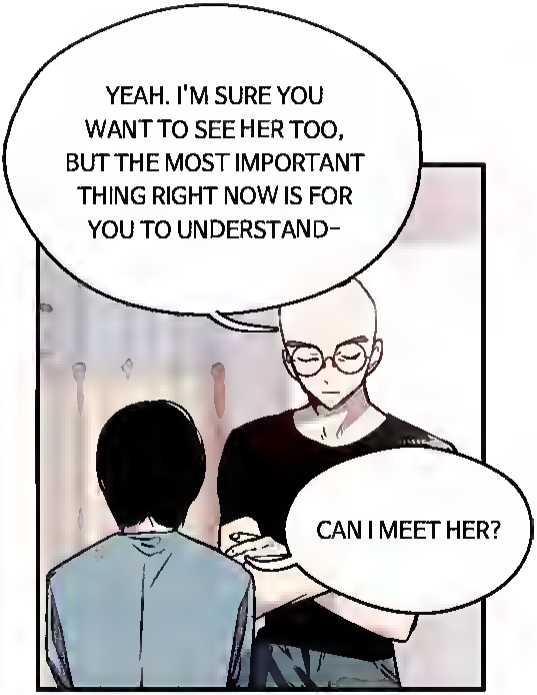
SAN...!!



I'M SURE YOU HAVE A LOT OF QUESTIONS.

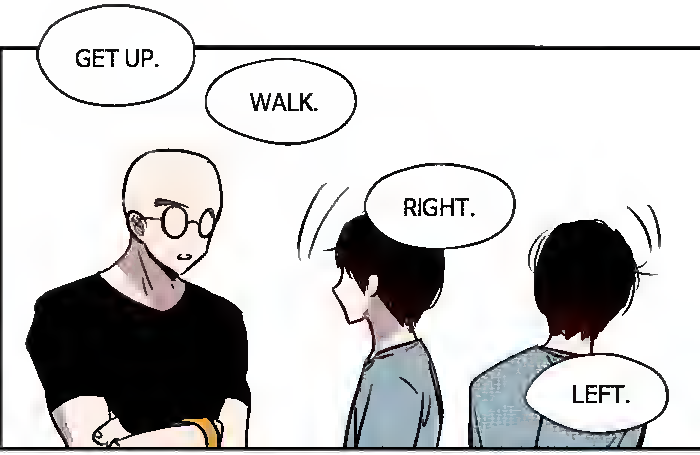


LIKE WHY I'M HERE...
AND WHAT YOUR NANO MACHINES MEAN.
WHERE'S SAN?

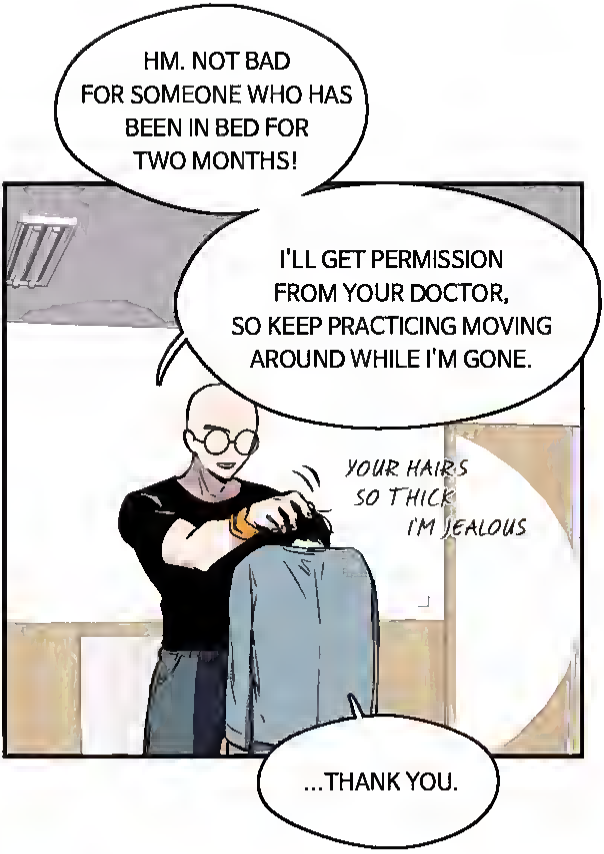


YEAH. I'M SURE YOU WANT TO SEE HER TOO, BUT THE MOST IMPORTANT THING RIGHT NOW IS FOR YOU TO UNDERSTAND-
CAN I MEET HER?

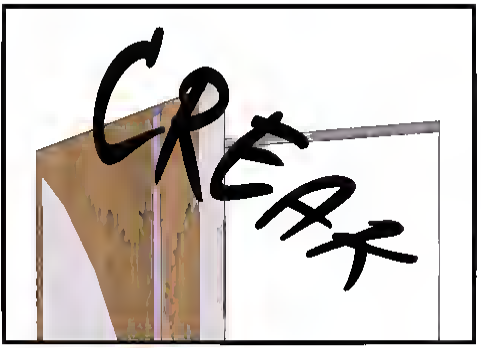
.....WHAT DO YOU WANT TO DO FIRST?
OPTION ONE. LISTEN TO MY EXPLANATION AND DO A FEW TESTS...
IS SAN-
OKAY, OKAY!! OPTION TWO!! WE GO TO SAN NOW!!
OPTION TWO.



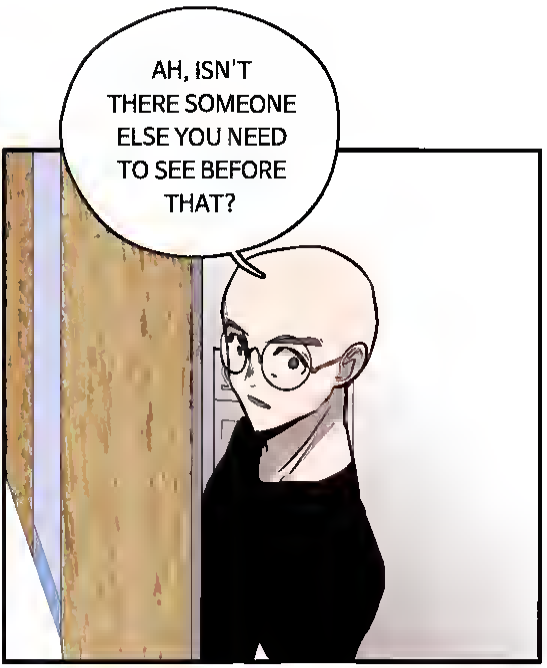
GET UP.
WALK.
RIGHT.
LEFT.



HM. NOT BAD FOR SOMEONE WHO HAS BEEN IN BED FOR TWO MONTHS!
I'LL GET PERMISSION FROM YOUR DOCTOR, SO KEEP PRACTICING MOVING AROUND WHILE I'M GONE.
YOUR HAIR'S SO THICK I'M JEALOUS
...THANK YOU.

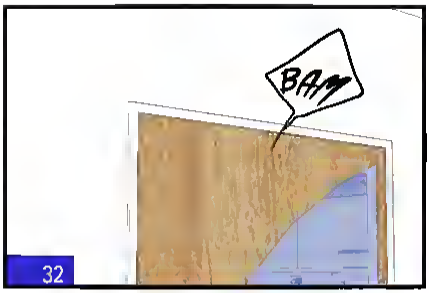


CREAK

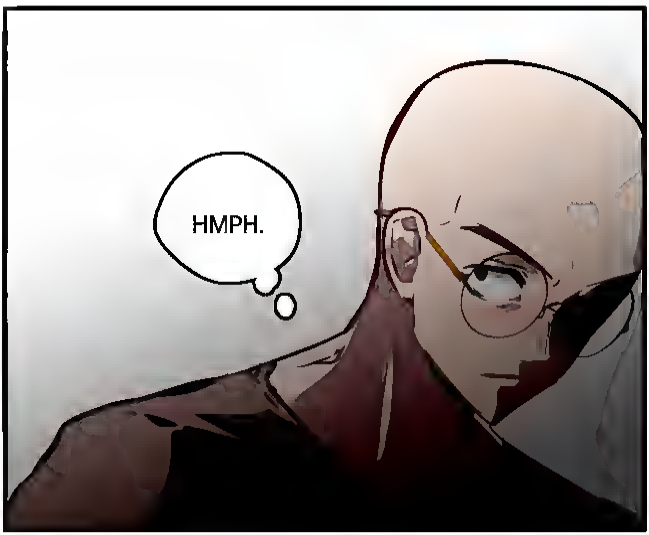


AH, ISN'T THERE SOMEONE ELSE YOU NEED TO SEE BEFORE THAT?

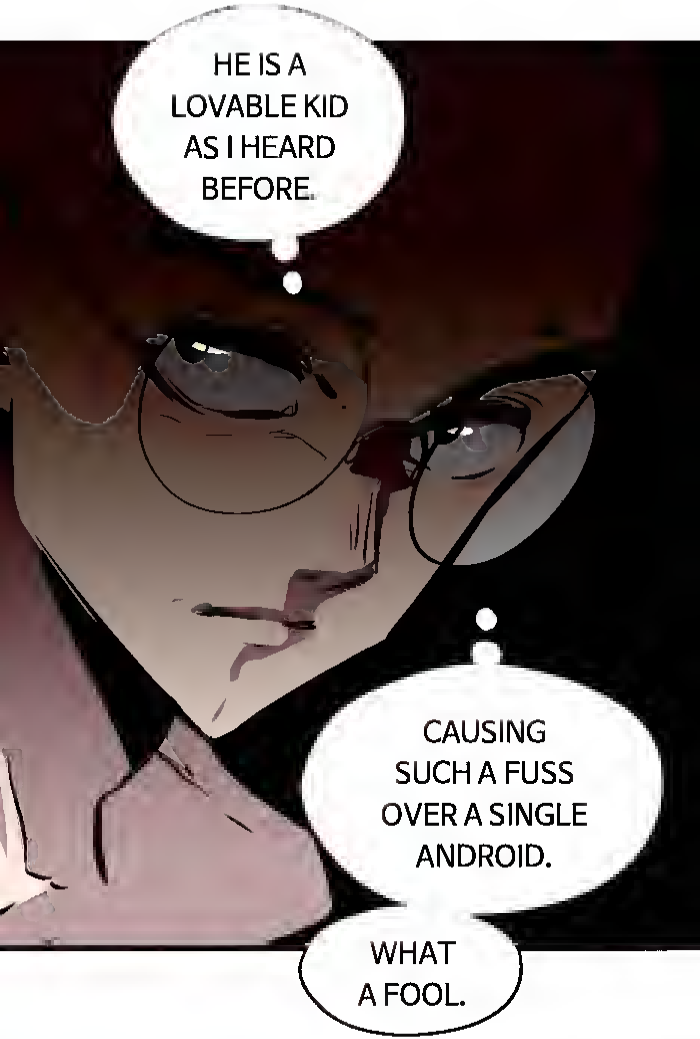
GO TO THE FIRST FLOOR LOBBY.



BAM
32



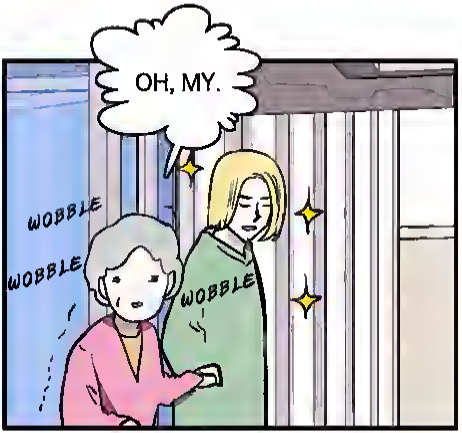
HMPH.



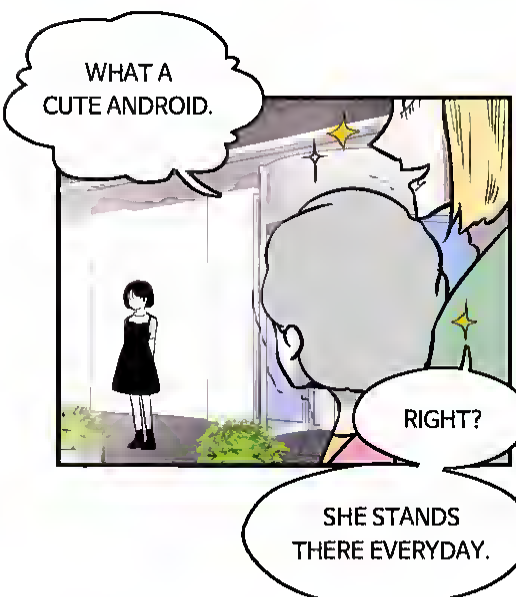
HE IS A LOVABLE KID AS I HEARD BEFORE.
CAUSING SUCH A FUSS OVER A SINGLE ANDROID.
WHAT A FOOL.

IT WON'T BE
EASY FROM NOW.

MINSONG HOSPITA

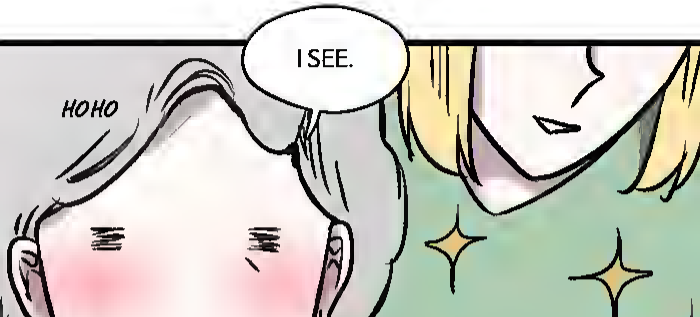


OH, MY.
WOBBLE
WOBBLE
WOBBLE



WHAT A CUTE ANDROID.
RIGHT?
OUR HOSPITAL'S MASCOT
SHE STANDS THERE EVERYDAY.

BUT DON'T TALK TO IT,
SHE MIGHT LOOK LIKE A PUPPY,
BUT SHE'S RABID...



SO CUTE~

I HOPE SHE GETS TO SEE HER OWNER.
